SCIENCE OF COMFORT SEATING

Chairs that **BELONGS TO COMFORT**

Ergoline Office Chairs

www.ergoline.co.in

The Ergoline brand aims to disrupt the space of seating solutions and workstations, by producing furniture that responds to your every mood. From lumbar supportive chairs to ergonomic and creative workstations, from functional sofa sets to rustic wooden tables, these are innovative designs that have come about from a deep and intuitive understanding of how a human body functions, during work and while at rest.

The Brand

Ergoline a TKS Product Pvt. Ltd., was born out of the need to provide functional and aesthetic seating solutions for retail and commercial spaces. Creatively crafted and designed on the sound science of ergonomics, they are built around the premise of comfort and health, using material design and extensive research for optimal wellbeing and performance. These products are meant to help people perform their best in stressful environments, spark creativity, optimize health, reasoning and decision making skills, by reducing chronic stress-induced injuries and in turn making people an asset to their organisations.

The Ergoline furniture range has been designed and crafted at the company's state-of-the-art manufacturing unit, where every single piece of furniture, undergoes rigorous testing to meet international quality standards, taking into account crucial factors such as lumbar support, adjustable height, eye co-ordination and absolute comfort.

At Ergoline, you don't just buy a piece of furniture, you buy health!

SERVICES

The TKS Product Pvt. Ltd. brand was built on the belief that with comfort comes health, and one doesn't have to pay exorbitantly to avail of the same. Backed by many years of experience honed in the field and expertise obtained by handling end-to-end of operation and manufacturing, the team believes in innovation without any compromise on quality. Whether manufacturing of products in the well-equipped and state-of-the-art manufacturing unit, import of innovative products of exceptional quality to keep up with Indian market demands or setting up retail outlets and tying up with well-heeled distributors to make the products accessible to corporates and clients, it is ensured, that each and every aspect of the business is carefully planned, and seamlessly designed.

Manufacturing

A comprehensive, well equipped manufacturing unit, and the latest machinery ensure that every product and furniture is handcrafted and adheres to exceptional quality standards. With a state-of-the-art manufacturing hub of 12,000 sqft., that produces more than 150-200 chairs and 50-80 workstations per day, TKS Product Pvt. Ltd. ventures has the capability to back

their promise on quality seating solutions with researched and designed curated furniture suitable for all kinds of residential and commercial spaces. Featuring a comprehensive portfolio ranging from Office Chairs, Sofas and Work Desks, to Modular Workstations, the furniture is cutting edge, stylish and addresses bulk requirements.

Trading

Importing creative and design backed seating solutions, ensures that users have a versatile and varied list of seating options to choose from. This also signifies quality. TKS Product Pvt. Ltd. has seen phenomenal growth in the area of imports. With rising demands of the Indian market, and a varied diaspora of well-travelled clientele who demand exceptional seating solutions

to meet their business needs, the company imports bespoke, handcrafted and curated furniture and seating solutions that is distributed to different parts of the world. We also look to export many of our own designs and other imports to other countries, particularly Taiwan, Korea and China.

Retail

Retailing exceptional and state-of-the-art furniture, Ergoline ensures that there is a seating solution to fulfil every user's needs. The strength of TKS Product Pvt. Ltd. lies in retail. Besides manufacturing and trading, we have three showrooms in Bangalore and Chennai, and also work with franchisees and traders to retail our furniture solutions. Our association with

some of the leading e-commerce brands such as Flipkart, Amazon, Snapdeal and Pepperfry ensures that our reach is slowly extending across India. While South India, particularly Chennai and Coimbatore has been our prime market since a while, North India is slowly beginning to experience the quality and craftsmanship that we promise.

PRODUCT RANGE

The Ergoline range of products considers furniture, more than just pieces of metal and wood. These are statement pieces that can be an asset to any corporate and retail space. They combine functionality and design into a cohesive whole, are responsive to postures and movement, and spark creativity and team work. Ergoline furnitures exude comfort and health!

CLIENT LIST

Our statement furniture pieces retailed at our showrooms have gone on to give us happy customers who have become our clients for life. Every piece of furniture that we craft, has been tailored to fulfil people's needs for ergonomic, comfortable seating and work solutions. Our clients believe in the superlative quality and finish of our products, and we ensure that they are never disappointed.

TESTIMONIALS

The furniture we create and seating solutions we provide has been done with a lot of conviction and research. The Ergoline brand believes that our work speaks for itself. It is therefore an honor to receive great feedback from some of our customers on our products.

“The workstations were designed to the needs and specifications of our Clients. The chairs are ergonomically designed for comfort without compromising on aesthetics. Very happy with the after installation and support team. Will look forward for more opportunities to work with your establishment in the near future.”

- Mr. Babu Reddy
Chairman
MBR Group

“Ergoline products are at par with some of the better brands I know. Their quality is great and the team is very prompt in meeting project demands. Wish them good luck in future endeavors.”

- Mr. T.V Rao
Associate Vice President (Infrastructure Dept.)
GMR Group

“A Very proficient and professional Company. TKS keeps up the commitment that it promises its clients by supplying the best product. They after sale services/response to complaints /follow up is the main USP.”

- Mr. Faheem Ahmed
Senior Manager-Administration & Travel
Tecnotree

“I’ve been sourcing my work tables and chairs from my regular suppliers, but found that Ergoline also manufactures a large variety with really reasonable rates. Picked up a chair and manager’s cabin table for now, and their quality is great. Seems like I will be buying many more.”
